

Geological boundary	
accurate.....	
inferred.....	
granitoid pluton margin interpreted from aeromagnetic data.....	
Fault	
inferred or concealed.....	
Strongly foliated rock.....	
Fold, showing direction of plunge	
anticline.....	
syncline.....	
minor fold.....	
Bedding, showing dip and strike	
inclined.....	
vertical.....	
overturned.....	
trend.....	
Igneous layering	
inclined.....	
vertical.....	
Way-up indicators	
pillow structure.....	
sedimentary structure.....	
Dominant foliation	
inclined.....	
vertical.....	
Cleavage	
inclined.....	
Lineation, showing direction of plunge	
plunging.....	
on foliation plane.....	
on bedding plane.....	
Air photo lineament.....
