

Geological boundary, with breakaway.....	
Fault, inferred or concealed.....	
Shear zone.....	
Folds, showing plunge	
anticline, approx.....	
syncline, approx.....	
overturned anticline, approx.....	
minor anticline.....	
minor syncline.....	
minor fold.....	
Bedding	
inclined.....	
vertical.....	
Younging indicator	
sedimentary.....	
graded bedding.....	
igneous pillows.....	
differentiated intrusion.....	
Cleavage	
inclined.....	
vertical.....	
Lineation	
.....	
Metamorphic foliation	
inclined, with lineation.....	
vertical.....	
Compositional layering, inclined	
.....	
Joint	
inclined.....	
vertical.....	
Air photo lineament	
concealed mafic dyke.....	
lithological trend.....	
probably reflecting underlying fault.....	
Foliation
