

Geological boundary

accurate.....	
interpreted subsurface.....	
Fault inferred or concealed.....	
Shear zone.....	

Fold showing plunge

anticline.....	
syncline.....	
overturned anticline.....	
overturned syncline.....	
minor fold with plunge.....	
M vergence.....	

Bedding

inclined.....	
vertical.....	
horizontal.....	

Younging indicator

sedimentary.....	
graded bedding.....	
differentiated intrusion.....	

Cleavage

inclined.....	
vertical.....	
strike coincident with bedding.....	
with lineation.....	

Foliation, metamorphic

inclined.....	
vertical.....	

Joint

inclined.....	
vertical.....	

Airphoto lineament

concealed mafic dyke.....	
lithological or structural trend.....	

Fossil locality

trace fossil.....
