

Geological boundary	
exposed.....	
Fault	
exposed.....	
concealed.....	
concealed, position uncertain.....	
Fold, showing axial trace and generalized	
Plunge direction	
anticline; exposed, concealed.....	
syncline; exposed, concealed.....	
overturned anticline; exposed, concealed.....	
Minor fold, showing trend and plunge	
anticline.....	
syncline.....	
Z-vergence.....	
S-vergence.....	
M-vergence.....	
Bedding, showing strike and dip	
inclined.....	
overturned.....	
trend, from aerial photography.....	
Palaeocurrent, showing trend and sense of movement	
from asymmetrical ripple marks.....	
from cross-bedding.....	
Metamorphic foliation, showing strike and dip	
inclined.....	
vertical.....	
Cleavage, showing strike and dip	
inclined.....	
Lineation, showing trend and plunge	
mineral lineation, inclined.....	
axis of crenulation, inclined.....	
Plant fossil locality.....	
Airphoto lineament	
structural trend.....	
Aeromagnetic lineament.....
